Qualifications: [I am running for County Treasurer because I believe that my skills and experience combined with my commitment to our County make me a great fit for this office. I am a fourth generation Tooele County resident and have been involved with a variety of community organizations. In addition to my commitment to our community, I am very qualified for this position. I am a certified public accountant with experience auditing county and city governments. I also have experience as the Finance Director of Grantsville City. My track record is one of making my organizations more efficient. For example I was able to reduce the audit fees paid by Grantsville City by 60% because of my understanding of how an auditor performs his work. I have also been successful in helping citizens and elected officials understand government finance and providing them with documents and records that show how our government budgets for, collects and uses their tax dollars.
